

Technical specification:

1. Material: Aluminium die-cast
2. Number of modules: 2
3. Wire gauge
Power Area: 4-10mm² (12-8AWG)
Signal Area: 1-2.5mm² (18-14AWG)
4. Temperature range: -40°C - +125°C
5. Mechanical working life (mating cycles): ≥500
